Glencoe / McGraw Hill	Health & Wellness	Meeks, Heit	2005	9-12		100%*
	Key Features: Designed for a broad range of learners. The magazine style format is easy-to-navigate with high interest content and active learning strategies that is relevant to today's student. The program's authorship team helped establish the National Health Standards to which this program is correlated. The ample use of illustrated charts, graphs, and tables makes it easier for students of all abilities to organize, learn, and relate relevant content. All illustrated tables will be supported with related photos and/or artwork. The use of instructional photos and artwork is a significant addition to the new revision. The use of illustrated tables that are integrated in many lessons is an effective CRISS strategy. The "Make the Connection:" feature at the beginning of each lesson helps direct the student to related material in other lessons. The "Mini-Reviews" in the lesson margins offer students a quick on-going assessment throughout the lesson. Students will be able to self assess as a form of a reading-check to see if they comprehend the theme of the lesson.
